## Building Capacity with Indigenous Communities

**2 DAY  
SEMINAR**

Conducted by: **Richard Trudgen**

Author of the influential book: "Why Warriors Lie Down and Die"

And **Yolngu** co-presenters from north-east Arnhem Land

**Learn** more about Indigenous Yolngu culture than most people would in a lifetime. **Understand** why Yolngu people and other ethnic minorities are suffering.

**See** a model that works, developed with the Yolngu people in Arnhem Land; a model that allows the people to build their future around health, economics, law and governance, and social issues. **Gain** personal communication and cross cultural skills necessary in working with Indigenous and ethnic groups.

**Be part** of the solution; know how we together, can help close the gap.
